## WEATHER

Appears to Be The Only Topic  
Discussed By Saints.

Squire Dorsey a Good Hand at Tying Knots  
—Depot at St. Matthews Needs At-  
tention—Other News.

St. Matthews, Jan. 17.—"Out of the  
abundance of the heart the mouth  
speaketh." We are so completely  
worn out with the weather conditions  
that it is almost the only topic of  
conversation, each one declaring  
"they never saw the like." When the  
thermometer reached two below  
last week they cried out, "It was  
never had been that cold nor of so  
long duration before." But it has,  
and the majority of us have seen and  
felt much worse. I have a copy of  
the Courier-Journal of February, 1899.  
The record Feb. 8th, zero; going  
down in the tube each day several  
degrees until it reached 14 below  
zero. This for a whole week, and we  
are alive to tell the tale. We have  
been snow-bound and ice-bound  
for as long as we can remember. On  
the other side of our disposition is uppermost,  
consequently the letter this week is  
a scamp affair. This applies to  
"Saints" and sinners alike. Every  
one is seated in grumble corner.  
Mrs. Henry Hahn has returned  
home from the Deaconess hospital,  
where she has been very ill for  
several weeks. Oh, how thankful we  
were to see her coming back re-  
lieved of her trouble. The snow  
bright, sweet woman we delight in  
calling our neighbor. We have de-  
termined to show our appreciation  
in the future of the answer to our  
fervent prayer.  
Cold weather does not throw a  
damper on young folks. So, the  
gathering at Mrs. Henry Holtzheim's, R.,  
given in honor of her granddaughter,  
Mary Ediger, was well attended.  
The report is a little late, but the  
pleasure of that evening is still with  
them. The house was a floral world.  
Various means of entertainment  
were in order, which suited all par-  
ties present. The refreshments were  
all one could ask or think, and my  
pen fails me in describing such  
delicacies.  
Mr. Dr. Brady and little son, Mat-  
thew, were in the city for a few  
days. They were in the city for a  
country for a visit in sunny Califor-  
nia until gentle Spring, with its  
balmy air, can greet her. We shall  
miss her merry ways, but our loss is  
her gain, and we try not to be selfish.  
Squire Dorsey is still tying knots—  
actually tying everybody in the  
city. He is a good hand at it, and  
in sight, only his legal authority to  
bind the loving ones together, but  
alas, his arm is too short to undo the  
knots he gets in a snarl and disas-  
trophic arises.  
Messrs. Bench and Crowder have  
been appointed arbitrators in the  
Matthews district. Take heed, ye  
evil doers; they will be ready with  
their big sticks to take vengeance  
on all who do not "make the mark."  
Walk circumspectly lest you feel the  
clutch of the strong arm of the law.  
With great pleasure I announce  
that in the near future our beloved  
friends, Mr. Walker Maddox and  
family, will return to this commu-  
nity to live. Five years ago we were  
overcome with grief when they left  
us for Alabama. We have endured  
the separation as best we could.  
Now, we welcome them home again  
with all the fervency possible to old  
neighbors, friends and relatives.  
It being my special mission to re-  
port all improvements in our little  
burg (which are many). I also call  
attention to what should be done: A  
suitable depot on the electric line at  
St. Matthews is very much needed.  
The little shed, which only gives a partial  
protection from the elements, is a  
shabby stopping place for the ar-  
bitrators of that place. Get to work,  
folks, and improve your "court  
square," so that it is the wish of  
many others beside. A. B. C.

## CREAMERY

Declares Dividend of 8 Per Cent. For Last  
Year—Stockholders Well Pleased With  
Manager Mingle.

There was a meeting of the stock-  
holders and directors of the Jeffers-  
ontown Creamery Co. held at Squire  
David McKinley's office last Wednes-  
day. The meeting was a very en-  
thusiastic one and the group of men  
were very much gratified over the  
success of the creamery. A dividend  
of 8 per cent. was declared for  
last year. Had not been for the  
great expense of securing a sufficient  
water supply a dividend of 20 per  
cent. would have been declared.  
Much of the success of the creamery  
is due to the efficient service and  
co-operation in making the creamery  
such a success.  
WM. H. NEWKIRK.

Widely Known Citizens of the County, Passes  
Away in Louisville—Masses Pay  
Last Tribute To Brother.

The funeral of William H. Newkirk,  
sixty-two years of age, one of our  
most widely-known farmers of Jeffers-  
ontown county, who died at 1:30 o'clock,  
Thursday afternoon at the Jewish  
Hospital in Louisville, was conducted  
at 2:30 o'clock Tuesday afternoon from  
St. Paul's chapel, Floyd street and Broad-  
way, Excelsior Lodge of Masons, of  
which he was a member, having  
charge of the services. Burial was  
in Cave Hill cemetery.

He was born near Jeffersontown and  
was a member of a pioneer family of  
the state. His grandfather was a  
veteran of the Revolutionary War,  
and his father a veteran of the Mex-  
ican War. He operated a farm for  
many years as a huckster, buying  
produce in the country and carrying  
it to the Louisville market. At one  
time he was a Government storekeeper  
in Florida.

For the past year Mr. Newkirk's  
eyesight failed him, and he was al-  
most blind, but he made up for it  
at the Enterprise Hotel for the past  
six months. He is survived by several  
nieces. The old house in which he  
was born and lived spent most of his  
life, was destroyed by fire eighteen  
months ago and the building was  
nearly one old and one of the landmarks  
of Jeffersontown.

Zeraldine, spent Saturday and Sun-  
day evening.

## Berry Plants Score.

I want to say to those who want to  
buy strawberry plants this season  
that it will be best to order them  
early, as there will be a greater  
shortage than last year, which every  
one knows was very serious. In  
another column of the Jeffersonian  
you will see my ad. Now, I do not  
want to scare anyone into ordering  
their plants early, but Mr. Jones  
tells me that orders are coming in  
pretty fast, and it is the same with  
other nurseries. The choice varieties  
are going to be snapped up pretty  
soon, and if you are going to order  
me or not it is up to your interest to  
order early. Why should we in Jeffers-  
ontown county put this matter off,  
and let the other fellows get the choice  
varieties and we take what is left.  
N. B. JOHNSON.

## Popular Couple Married.

Mr. Edwin C. Schuler and Miss  
Leona Hauns, were quietly married

the charming daughter of Mr. and  
Mrs. Fred Hauns, of near Anchorage.  
Mr. and Mrs. Schuler will reside  
near Worthington on his farm.  
Their many friends extend the best  
wishes to them for a long, happy  
and prosperous life.

Entered as second-class matter June 11, 1907,  
at the postoffice at Jeffersontown, Kentucky  
under the Act of Congress of March 3, 1879.

THURSDAY, JANUARY 20, 1910.

A BILL has been presented in the Legislature to provide for a whipping post for wife-beaters. What is to be done with husband-beaters—given a good meal?

LAST year the Board of Education of Jefferson County refused to give \$12,500 out of the \$40,000 raised from the 20 cent levy for the purpose of helping to build a model consolidated school somewhere in the county. Instead of this the members voted to increase the school term from six to nine months. We do not know how it is in other districts, but in Jeffersontown we are told that it is not known whether we will have a nine months school or not. The books are in such a shape that it is difficult to learn just how much money each division is entitled to. Another question that has not been settled is whether or not each district will get the full amount of money it paid in from the 20 cent levy. You can easily see what is right in the matter, but what the Board will do, and can do, is a hard proposition to solve. The people here are very anxious to have the nine months school, and feel that we are entitled to it.

The citizens of Jeffersontown and vicinity have, at last, awakened from their sleep of lethargy and propose to build a public hall, a thing that has been needed for a long time. The Commercial Club, which was organized a few months ago, is the first evidence of their progressiveness, and now has over one hundred members. As a club the members intend to organize a stock company with a capital of \$5,000, which will be used in the purchase of a lot and in erecting the building. About \$1,500 has already been subscribed by persons taking from one to twenty shares. This is very commendable from the fact that it has been done by those least able to subscribe. The most astonishing feature of the matter is the fact that residents of the town and vicinity that are property holders and able to take large amounts are holding back. Now, we shall never secure this building unless some of our wealthier citizens subscribe more liberally. We have a number of men here who should readily agree to take the limited number of shares—one hundred. Seven persons putting

\$500 each into this enterprise would be all that is required at this time. In view of the fact that the venture would, no doubt, be a paying proposition from a financial standpoint, as well as helping to build up the town and increasing business and price of land, it seems strange that some of these men who are able are not taking advantage of the opportunity. Get together, ye men of money, and help the poor devils who have gone their limit, thereby increasing the holdings you now have and showing the public spirit that is necessary to build up the town.

## ENTHUSIASTIC

Meeting of Jeffersontown Commercial Club  
at Schoolhouse Monday Night—Subscriptions Taken For New Hall.

At a meeting of the Jeffersontown Commercial Club Monday night at the schoolhouse a large and enthusiastic crowd was present. The president, Mr. E. R. Sprowl, presided. The question of building a public hall in Jeffersontown was discussed and several of the members made strong addresses, among whom were Messrs. E. R. Sprowl, R. A. Bickel, W. J. Semmon, Edgar Sprowl, Prof. R. H. Snively and others. A stock company is proposed with a capital stock of \$5,000. A goodly number of the shares have already been subscribed. It is the purpose of the club to form a distinct and separate company, but to keep the stockholders within the membership of the club, if possible. Much interest is being manifested by all the members, but those who are able, are not subscribing for as much stock as was believed they would take. Upon the other hand, those who were not expected to take much stock are subscribing liberally. The soliciting committee proposes to get down to hard work from now on and soon report that all stock has been taken. Thirty new names were added Monday night to the club, which makes a total membership of 106. How is that for a public spirit in Jeffersontown?

The president called for a meeting of the executive committee at his office tonight. The next meeting of the club will be held the first Monday night in February.

### A New One.

A western Kentucky exchange says: "A young man traveling through the State is representing himself to be in the employ of the government and inspecting rural routes. He represents to the farmers that if they want to have their routes continued it will be necessary for them to sign a petition to that effect, knowing them a form he carries. Later this signature to the 'petition' bobs up in the shape of a small check at a local bank. Keep your 'eye peeled for him.'"

### Our Representative.

Jeffersontown and Jefferson County's Representative in the Legislature from the forty-fourth district, Hon. L. C. Owings, is "making good" at Frankfort. He has been placed upon some of the most important committees and has represented several bills that will be a help to the state. Among them is an act providing for destruction of carcasses of swine dying from cholera or other diseases and an act to provide for cutting of weeds on property abutting public highways.

## GODLY WOMAN

Goes To Her Reward After Long And Faithful Life—Death of Mrs. Mariah Mell Jan. 14.

Mrs. Mariah Mell, aged 70 years, 4 months and 15 days, passed to her eternal reward Friday, Jan. 14, after a long and useful life. Death resulted from pneumonia, but deceased had been a sufferer for several years.

In the death of Mrs. Mell the community loses one of its most estimable women and God at last rewards one of His most faithful servants. Mrs. Mell had been an active member of the church for seventy years and the end was a most peaceful one.

Mrs. Mell was a daughter of Rev. Wm. D. and Hannah Spaulding, and was a native of Campbell county, Ky. In 1849 she was married to Prof. Wm. Mell, who died in August, 1880. She was the mother of six children, all of whom are living. They are Prof. A. W. Mell, of St. Louis, Mo.; Judge M. P. Mell, of Gilmer, Texas; Rev. A. L. Mell, pastor of the Methodist church at Beaver Dam, Ky.; Mrs. Sadie Taylor and Mr. H. G. Mell, of Jeffersontown, and Mrs. J. H. Singleton, of Cincinnati, O.

In 1905 Mrs. Mell came to Jeffersontown, with her son, Rev. A. L. Mell, who was pastor of the Methodist church here at that time, and remained until her death.

A memorial service was held at the Jeffersontown Methodist church last Monday, conducted by the following ministers: Rev. S. G. Shelley and Rev. J. T. Rushing, of Louisville, Rev. L. K. May, of Irvington, Rev. G. W. Lyons, Pembroke, Rev. J. L. Murrell, of Campbellsville, and her pastor, Rev. H. S. Gillette, after which the body was laid to rest in Jeffersontown cemetery.

### WILSONVILLE.

Jan. 13.—Sidney Radcliff was in Louisville on business one day last week. His stay was very short. Lee Davis spent Monday with his parents, Mr. and Mrs. Van Davis, of Rivals. Charles Heffley has rented the farm of Robert Hedges, near Elk Creek, and will take possession about the first of February.

Jelany Miller, of Colorado, is the guest of Mrs. Dean Miller and other relatives and friends.

"Old King Wm." has certainly been with us for the past few weeks, but with his presence there is also the thought that, no matter how severely his presence may be felt for a time, his stay is getting shorter and by day.

Angus McDonald, of Middleboro, is the guest of his sister, Mrs. Alma Paris.

Mr. and Mrs. Jess Collings moved Tuesday to what is known as the Lovel farm, which they have rented for this year. Mr. and Mrs. Collings are estimable young people and we welcome them into our midst.

Mr. and Mrs. Ernest Davis, of Rivals, spent Saturday night with Mr. and Mrs. Lee Davis and the following day with relatives near Rount.

Mr. and Mrs. Thomas Heffley were entertained Friday by Mr. and Mrs. James Van Arsdale, of Elk Creek.

Mr. and Mrs. Howard Smith, who have lived for the last two years near Veatchdale, have moved back to their home here, where they are welcomed by their many friends. The deep snow, heavy rain and swollen streams put our creek road in a terrible condition last week and caused several men to spend almost two days in cleaning away the huge blocks of ice that had landed in the road and obstructed the way.
